A set of 11 study books (8 base material+3 books containing previous year questions(PYQs))  
Physics-5 books, Chemistry-3 books, Biology-3 books which cover theory abstract of each chapter, questions of different levels with key/detailed hints and solution; 32 years chapter wise PYQs with solution.  
A total of 15640 questions with solutions/key in 11 books.
2. Total 150 hrs of recorded video Rapid Revision classes covering the theoretical concepts linked to each chapter (+1 & +2).
3. 96 hrs of recorded video discussion of selected questions from the base material.
4. 96 DPPs (Daily Practice Papers) linked with each chapter, comprising 30 questions in each DPP with solutions.
5. 96 hrs of recorded video discussion and analysis of important previously asked questions (PYQ'S) with solutions.
6. 3 hrs of recorded video discussion and analysis of 2020 NEET Examination paper.
7. 30 well structured NEET model cumulative Examination papers-180 Questions 180 minutes. Portions will be tested cumulatively. ie there will be some questions from the syllabus of previous tests in the upcoming tests and 4 hours recorded video discussion with important concepts linked with cumulative chapters and its analysis for each paper (chapter cumulative schedule will be sent through Email).
8. 50 full topic NEET Model Examinations with recorded video discussion & analysis of each paper.
9. 125<sup>+</sup> hours of theory discussion videos for second phase preparation.

#### PREPARATION GUIDELINES

##### First phase preparation strategy -chapter by chapter preparation

1. Thorough revision of each chapter theory given in the NCERT text.
2. Revision of the abstract of each chapter given in the base material.
3. Attending the theoretical concept discussion video linked with each chapter.
4. Answering all the questions of each chapter given in the base material.
5. Attending the video discussion of the selected questions of each chapter.
6. Answering all the questions linked with each chapter given in the 32 years previously asked questions and answer collection book.
7. Attending the video discussion and analysis of the selected previously asked questions linked with each chapter.

**Make sure you have completed the whole chapter preparation holistically before starting the second phase.**

##### Second Phase preparation strategy

1. 125<sup>+</sup> hours of theory revising using the recorded videos.
2. Working out of 30 cumulative NEET Model Examinations (3 hours), one by one and simultaneously attending 4 hours recorded video discussion linked with each cumulative NEET Model paper.
3. Working out of 50 NEET Model Examinations (3 hours), one by one and simultaneously attending 4 hours recorded video discussion and analysis of each paper.
4. Each student should download the scanned copy of the OMR sheet made available from the Chaithanya Classes APP or sent through Email and all the Examinations (DPP's, 30 cumulative NEET models & 50 full topic NEET models) should be worked out in two ways. 1. Through online 2. Using downloaded print out of OMR sheet. The marked OMR sheet should be uploaded within 10 minutes after the completion of the online Examinations through APP. Working out of the Examinations, using the printed copy of the OMR sheet is very important for attaining speed for KEAM & NEET (OMR Examinations).

**NB:** Any doubt regarding the Rank booster crash programme, OMR examination and online Examinations should be clarified before joining the course.

### **Doubt clearance**

You can clear your doubts using Email/ WhatsApp by mentioning your name & Roll number.
