1. From 19-11-23, UNITWISE REVISION exams will be conducted every Sunday and the classes in the upcoming week will be used for discussion.
2. NEET unitwise syllabus has been revised according to the latest NMC circular. Please find attached the revised unitwise syllabus for NEET.
There is no change in JEE syllabus.

You are requested to follow the teaching and examination schedule both the Dpp & NEET/ JEE MAIN/KEAM & JEE ADVANCED model of the online stream systematically. This advanced preparation will definitely help you to get a very good score in the NEET/ JEE MAIN/KEAM & JEE ADVANCED -2024 examination. Revise and up to date the chapters using the recorded videos using the Chaithanya Classroom, the learning App.

Please follow the steps given below before attempting the Tests.

1) A very Systematic and detailed study of the corresponding NCERT chapters. The importance of NCERT can not be emphasized more especially for NEET/ JEE MAIN/KEAM students.

2) Revise all the BASE MATERIAL questions, PYQ's and most probable questions using the Chaithanya Classroom , the learning App.

3) Watch the 1.5 to 2 hr RAPID REVISION VIDEO associated with every chapter.

Make sure you follow the above steps to holistically cover the portions for a MODEL Exam before attempting it.

EXAMINATION SCHEDULE

There will be 30 mins Chapterwise Daily Practice Paper (DPP)s as per the schedule given above.

For Full length Model Exams, portions will be tested cumulatively i.e. there will be some questions from the syllabus of previous tests in the upcoming tests. This will ensure a constant revision of the already covered chapters.

The NEET model online exam will have 50 Questions from each subject, a total of 200Q, 200 mins time.

There will be a provision for doubt clearance. You can clear your doubts using the chat box, or Q&A or E-mail or WhatsApp.

The timetable after 23/01/2024 will be issued before 23/01/2024
