For the information of Repeater NEET-2024 batch students of Chaithanya classes & their parents

Dear Students/Parents,

Please note & follow the guidelines given below.

During every academic year we are conducting parent-teachers meeting. This will always help the students to achieve remarkable results in their entrance examinations. During this occasion, parents and their children can interact with the teachers and clear their doubts, which will lead to the academic success. Consider this as an important meeting and interact with the teachers. Our teachers are always ready to help and guide you. Parents, remember, participating in the meeting will produce good result for your dear children. By parent-teachers meeting, we aim through a joint effort of parents and teachers. We request all the parents to come and meet the teachers with open mind for achieving motivation.

Batch wise schedule for the Parent-Teachers meeting is as shown below.

- ❖ Regarding the next reshuffling, the 4 th reshuffling, 10% weightage is given for DPP's no.s 60 to 80 (21 no.s). 20% weightage is given for NEET Model 7 (unit 5), 20% weightage is given for NEET Model 8 (unit 6) & 50% weightage is given for NEET Model 9, (unit 1-4, scholarship cum reshuffling exam). The reshuffled new batches will start from 15/12/2023.
- ❖ The NTA has approved the declared NMC syllabus.
- ❖ Now you are going to the most important segment of your preparation ie, revision and NEET model examinations. You are requested to work out the previous year question papers provided in the 16 years PYQ book, as per the time table given.
- ❖ As explained earlier, for OMR exam, according to our view, 50 % of the score will depend on the time management. The fine tune of time management should be attained through the revision and examinations, which will fetch more than 50 % of your total score. Now you know your subject strength, chapter strength and weakness .With regular hard work, you have to strengthen your weak areas. Fix up a target of 100 %, avoid all the situations that negatively affect your studies. Be gentle, smart and earnest in your behavior. Prepare well and clear your doubts using the different ways already suggested (Refer intimations already given). Effective use of the Chaithanya Classroom Learning App will definitely help you for effective registration and clearing all the doubts. Concentrate more on time management with duplicate OMR examinations (Dpp's & NEET models) till the error becomes zero.
- ❖ If you are comfortable and satisfied with system of coaching, examinations systems, study materials, support from faculties etc, you can recommend your friends, relatives and neighbours to join our post Deepavali batch or the Crash batch NEET-2024.
